

Classes with Academic Credit 2016-17

The table below outlines recommendations for approving one English Language Arts or 4th year Math Related credit to those students who complete one year of the requirements in the specified Muskegon Area Career Tech Center programs. It also specifies which programs allow students to participate in the Technical Math course. For more specific information about the requirements, please contact Annlyn McKenzie, Curriculum Coordinator (767-3616) or Brooke Sano, Academic Instructional Consultant (767-3617). Students interested in earning academic credit while attending the CTC **must** contact their high school counselor.

	English	4 th Math Related	Technical Math Pull-Out Option	Visual Performing & Applied Arts	20 Hour Online Experience

Internet, Network & Security Technologies	X	X	X	X	X
Machining/Engineering Tech		X	X	X	X
Welding Technologies		X	X	X	X

* Completing a MDE-approved formal CTE program may allow students to substitute these CTE credits in place of

- 1 credit of Science AND
- 1 credit of World Language

** Math credit in this course may be earned IF students successfully complete the optional Pharmacy Tech certification.
