About Us

Camp Tanuga is a summer camp located in the beautiful woods of Kalkaska, Michigan. Since 1952, we've provided a safe and exciting environment where kids can explore, make lifelong friends, and create lasting memories.

Campers enjoy a wide range of activities, including water sports like tubing, kayaking, and swimming, as well as rock climbing, archery, mountain biking, and more. Our evening programs and bonfires bring everyone together for fun, laughter, and special camp traditions. With so many activities to choose from, every camper can find something they love.

**Come experience the magic of
Camp Tanuga in 2025.**
