

NM BACKPACKING

ADVENTURE BEGINS WHERE THE WI-FI ENDS

Miss. Bishop, Mrs. Risley, & Mr. Stevens are excited to offer an *Intro to Backpacking* course! This course will provide students with the skills & knowledge necessary for safe & responsible backcountry travel. Through hands-on learning, students will gain essential survival & navigation skills, & a deep appreciation for Michigan's parks, and improve physical fitness,. This course culminates in a three-day, two-night backpacking trip, where students will apply their learning in a real-world outdoor experience.

In order to make this trip possible, we need your support! We are seeking community donations to help cover expenses such as gear, transportation, & trip fees (up to \$175 per student). Your contribution will help ensure that this opportunity is accessible for all students, regardless of financial barriers.

HOW TO SHOW SUPPORT:

- DONATE FUNDS TO OFFSET TRIP COSTS
- SPONSOR A STUDENT TO ATTEND THE TRIP
- HELP US GROW: IN 3-5 YEARS WE HOPE TO OWN OUR OWN EQUIPMENT LIBRARY (\$15,000)

By supporting this program, you are helping to foster environmental stewardship, outdoor leadership, & personal growth for the next generation. Thank you for considering investing in our students and the great outdoors!
